The Hounds

"The Hounds" were a particularly rabble-raising group of ruffians and thieves that bucked the law in San Francisco in the 19th century. We use this label to explore wines that break the norm, much like "The Hounds" did.

2013 Hounds Sweet Wine 38.00 / 32.30
honeycrisp apple, minced herbs, green almond

2010 Hounds Amber Wine 28.00 / 23.80
orange peel, almond skins, dried apricot
